Re: Abreu v. ESB Kitchen and Bar Corp et al
23-cv-7226 (VEC)

MEMO ENDORSED

Your Honor,

Plaintiff writes the respectfully request that the Plaintiff be permitted to submit the Cheeks motion on tomorrow June 12, 2024 and that submission obviate the need for an in-person conference on Friday. Or, that if the Court ultimately requires an in-person conference that Defendants be permitted to attended telephonically because they have already signed.

Defendants have signed the Agreement and I am working with my client to execute. Sadly, Mr. Abreu is very unskilled with technology and he was planning on coming to my office to sign or having a relative help him sign a printed copy. However, he has some issues with his knee that required a short stay in the hospital.

It is my understanding he should be able to make it to my office to sign tomorrow or have someone help him sign at home.
